As we enter the first full week of Lent we are thinking about the sacrifices Jesus made for us, and how we can **'Be more like Him'**. Your child will have brought home their St Joseph's Penny collection box last week and we ask that if possible this is kept somewhere prominent and any loose change you may have is added to it over the next 5 weeks. The money raised goes to the Catholic charity 'Caritas' which means *'Care and Love'*. The charity provides a wide range of support for the most vulnerable in our society and last year the St Joseph's Penny appeal raised a huge £82k across the Diocese!

Thank you for your co-operation and understanding in regard to the recent reviews of Breakfast Club and the end of the day routines for Class 1. Things are working well and we appreciate your support as ever. There are some exciting plans afoot for the current ICT suite which I will update you on as soon as I can! HS

Last week saw children come dressed as their favourite book characters for World Book Day. There was a tremendous response in school and children enjoyed the activities that went on in class throughout the day.

Children on the school council have been asked about the best way we can honour the memory of Ms. Nolan in school. After discussion, they will be going back to class to ask other children for their ideas. Thank-you again for the donations and kind messages we continue to receive in school. We shall keep you updated with the ideas that children have. MM
