In our whole school worship this morning we focused on the simple phrase **"Trust in God"**. During this period of Lent we encourage the children to listen to God's voice and use it to help them avoid the temptation to make the wrong choice.

Exciting news on the computing front.....in the next couple of weeks we will be taking delivery of a consignment of new laptops which will enhance the way we deliver our computing curriculum! I recently spent the afternoon with an advisor from the Local Authority and it was a pleasure to share with her the high quality of education we are providing for your precious children. The staff here are 100% committed to ensuring each child achieves their potential and the school community is thriving as a result!

Have a great week, HS.

Some of our Class 5 children took part in a Gifted and Talented P.E. event at Accrington Academy last Tuesday and were really put through their paces, competing against children from other schools. Well done to Sammy, Isobela, Orla and Millie for representing the school so well.

In Celebration Assembly this week, we were able to celebrate the out of school achievements of two children. Well done to Chloe for her horse-riding certificate and to Lauren Long for her dancing trophy and Brownie's badge. Keep up the good work girls! Please remember to bring in any of the childrens' out of school achievements so we can celebrate them together in school.

Just a reminder that Parent's Evening will take place on Wednesday 22<sup>nd</sup> March. To arrange an appointment with your classroom teacher, please fill in a slot on the class lists in the entrance to school.

Many thanks to our wonderfully supportive PTFA group who have organised a film night for this coming Tuesday in school. The children are really looking forward to it. Thank-you for all that you do to support our school! MM
