It was lovely to see the children back in school this week after their break and we hope that you all enjoyed a happy and holy Easter.

We have been reviewing our school uniform and would just like to clarify the following before you begin to think about purchasing new uniform for the start of next year: School uniform should consist of white shirts (short sleeve preferably) and ties as polo tops have been phased out over the last 12 months. As of September no polo tops will be allowed. Boy's trousers should be dark grey, not black, and girls can wear either grey pinafores, grey skirts or the school grey check skirt. Summer dresses should be blue check, no other colours. A full uniform policy will be issued towards the end of the year but we wanted to just highlight the above to you.

Last week, our infants enjoyed a wonderful time at Thornton Hall Country Farm. Despite the weather, the children were able to take part in lots of different activities such as feeding the pigs and the lambs and driving the mini-tractors around a course – in fact some of our teachers seemed to enjoy this bit too!

We must give a great deal of thanks to Mr Bradshaw who has been busy building and constructing our outdoor provision for Class 1. The children have had a wonderful time interacting with all of the new equipment now on offer, with more to come in the future, as we seek to give the children every learning opportunity that they deserve.

A special mention must go to Declan in Class 4 who has made some flags which he has been selling at playtime and lunchtime this week in aid of Cancer Research. The flags have gone down a storm with other children so thank-you Declan for such a kind-hearted gesture.

We hope you have an enjoyable week!
