Dear parents

In Worship last week, we focussed on disagreements that can happen in our lives and at school and how to handle them best. We looked at the teachings of Jesus in the bible and enjoyed a wonderful drama linked to this by three of our Year 6 children. In this week's Worship, the local rotary club are visiting to deliver a Worship about Peace – Class 2 have been busy in class making windmills which will be linked to this assembly.

On Monday of last week, our school cook, Emma, prepared a special table at lunch-time for our 'Ms. Nolan Rainbow certificate winners'. This will be a regular theme each Monday lunch for the winners of this award with a special surprise each time! It should be the perfect incentive for our children to do all of the things linked to this award that make our school so special, such as acts of kindness, politeness and helping others.

On Monday 2nd October the first P.T.F.A meeting of the year will take place at 3:30 p.m. in school. This association of parents and friends of the school work tirelessly in order to raise money through activities and events such as the Summer Fair, film nights and discos. The money is then spent to enhance provision for our children in school. We are always on the look-out for new members so if you would like to join us for that first meeting to get a taste of the things we do, you are more than welcome to attend. If you would like any further details, please just ask me at school.

Each year we have to pay a large contribution to the Salford Diocese School Building Fund which means we are eligible to apply for grants for building work. As you know, we have been extremely fortunate to have benefited heavily from this fund very recently with all the stunning works in school. However, in order to continue to develop and enhance our school further we really do need your support in raising the annual contribution required. By sending in £1 a week for the Friday Fund you are really helping our school on its journey of continual improvement so please do support this fund - and of course each week you are in with the chance of winning! Thank you to those who already support this week in week out - it is really appreciated!

There will be no Celebration Assembly next Friday due to our trip to Robin Wood taking place. Could I please remind all parents of children who are going to Robin Wood that a coach has been organised to take children there but parents will be picking up children and taking them back home on the Sunday. A pack has gone out including all of these details but please could you fill in the return slip as soon as possible informing us as to whether you are able to take children back on the Sunday.

The MacMillan coffee morning has been confirmed to take place on Friday September 29th after Celebration Assembly. Details have been released on our website and on Facebook and we shall be providing information closer to the event of what children may wish to bring in to school that day. As previously mentioned, it will be an ideal opportunity for parents to see our new school layout but more importantly, it will be a fitting tribute to the memory of Ms. Nolan. Please continue to remember her in your prayers.

I hope you have a lovely week!

Mr M.S.Mashiter
